Eagle's Wings Preschool is a vibrant and caring environment where we see learning as a thrilling journey, complete with laughter, discovery, and the pure joy of play. Our preschool classes are thoughtfully designed to captivate the inquisitive minds of our little learners, nurturing a passion for exploration and early education.

Discovery through Play: Discovering the magic of play! Play is the natural language of childhood! Our curriculum cultivates a love for learning by immersing children in enriching play experiences. Whether it's building with blocks, uncovering the mysteries of nature, or engaging in imaginative play, each activity is crafted to promote cognitive development, problem-solving abilities, and an inherent sense of wonder and curiosity. Our curriculum aims to instill a passion for learning through play-based experiences.

Imaginary Kingdom: We foster a world of creativity and playfulness! In our classes, children are invited to embark on imaginative journeys, exploring various roles and scenarios through the magic of dramatic play. Whether it's diving into dress-up escapades, running their own ice cream shop, stepping back in time to a '50s diner, or putting on puppet shows, each day unfolds with new chances for imaginative play.

Musical Moments: Get ready for a symphony of giggles and melodies! Music is a universal language, and each of our classes embraces it with joy. Through singing, dancing, and exploring musical instruments, preschoolers develop rhythm, coordination, and a love for the magical world of sounds.

Friendship and Fellowship: Building friendships is as important as building blocks in our class. Our curriculum places a strong emphasis on social development. Through collaborative play, your little ones will learn the values of kindness, sharing, and caring—a reflection of the love that Jesus teaches us.

Bible Adventures: Through age-appropriate stories and interactive activities, we introduce the Bible in a way that captivates young minds. Each lesson is carefully designed to spark curiosity and build a foundation of faith that will last a lifetime. We attend chapel every week, enhancing the spiritual journey of our students.

Literacy Adventures: Every story is an adventure waiting to unfold! Our curriculum introduces early literacy skills through storytelling, picture books, and imaginative play. From recognizing letters to creating their own stories, children embark on a literary journey that lays the foundation for a lifelong love of reading.

Loving and Caring Teachers: Our dedicated educators extend beyond the role of teachers; they serve as nurturing guides, establishing a safe and affectionate environment for your little ones to flourish. With open hearts and welcoming arms, we embrace each child as a cherished member of our Eagle's Wings family.

Home Away from Home: Our preschool is an extension of your home, providing a warm and inviting space where children feel secure, valued, and loved. We believe that a positive early childhood experience sets the stage for a lifelong relationship with God.

**Join us on a journey where laughter, curiosity, and play converge to
create a foundation for a lifetime of joyful learning.
Eagle's Wings Preschool is not just about preparing for the future—
it's about savoring the magic of childhood in the present!**
