Class Selection — 2026–2027

3's Program (Hippos & Rhinos)

Hippos — 2 Day AM, T/TH, 9:15 AM –12:15 PM (Must be 3 by Oct 31, 2026) \$295

Rhinos — 3 Day AM, MWF, 9:15 AM –12:15 PM (Must be 3 by Oct 31, 2026) \$395

Our 3's program offers a warm, joyful introduction to preschool in a Christ-centered environment. Children learn through hands-on exploration, sensory play, music, stories, creative art, and outdoor movement—experiences that nurture the whole child. We focus on building social skills, learning routines, practicing independence, and expressing emotions in healthy ways, all while modeling God's love and compassion. Each day is filled with opportunities for curiosity, imagination, and joyful discovery as children grow in confidence and faith.

4's Program (Pandas & Koalas)

Pandas — 2 Day AM, T/TH, 9:15 AM –12:15 PM (Must be 4 by Oct 31, 2026) \$295

Koalas — 3 Day AM, MWF, 9:15 AM –12:15 PM (Must be 4 by Oct 31, 2026) \$395

Our 4's program builds upon play-based learning in a Christ-centered environment, offering even more opportunities for guided centers, early literacy development, number sense, storytelling, and imaginative play. Children grow through purposeful, hands-on experiences that strengthen problem-solving skills, fine-motor development, and cooperative teamwork. Each activity is designed to nurture confidence, independence, and a love for learning while helping children understand God's love and prepare joyfully for Pre-K or Kindergarten.

Pre-K Extended Day Program (Monkeys & Giraffes) Monday-Thursday

Monkeys — 4 Day AM, 9:15 AM–1:30 PM (Must be 4 by Sept 1, 2026) \$595

Giraffes — 4 Day AM, 9:15 AM–1:30 PM (Must be 4 by Sept 1, 2026) \$595

Our Pre-K program provides an extended, enriched learning environment that prepares children for kindergarten while keeping Christ and purposeful play at the center of each day. Students engage in STEAM activities, writing readiness, hands-on math, project-based learning, dramatic play, and collaborative challenges that encourage creativity and problem-solving. The longer schedule allows time for lunch routines, deeper learning, meaningful friendships, and social-emotional growth—all nurtured in an atmosphere that reflects God's love and helps children grow in confidence, character, and faith.
